I hereby request early dismissal for my senior year. I understand that to be granted early dismissal, all my requirements for graduation must be met, and I must have a cumulative unweighted average of 2.0 or better for the 1st semester of the junior year. If the average falls at the end of the year, I will be assigned a 7th period course. Also, if early dismissal conflicts with a course I must take, the request will not be granted.
