Alternates: List 5 alternate COURSE NUMBERS. Courses listed below will be used in creating your schedule if a conflict arises during the schedule building process. Give the same consideration for your alternates as you did for your electives.

1. _____ 2. _____ 3. _____ 4. _____ 5. _____

I have read the curriculum guide, consulted with my teachers, a guidance counselor, and my parents. These are the courses I want to take next year, and my parents/guardians approve these courses. We understand that alternate courses will be used, in no particular order, if conflicts arise. If the student chooses none, alternates will be selected for the student. **No** changes will be made after the final schedule is issued.
