Alternates: List 6 alternate COURSE NUMBERS to be used in creating your schedule, if a conflict arises during the schedule building process. Give the *same* consideration to your alternates as you did to your electives.

1. _____ 2._____ 3._____ 4. _____ 5. _____ 6. _____

I have read the curriculum guide, consulted with my teachers, a guidance counselor, and my parents. These are the courses I want to take next year, and my parents/guardians approve these courses. We understand that alternate courses will be substituted in no specific order if conflicts arise. If the student chooses none, alternates will be selected *for* the student. **No** changes will be made after the final schedule is issued.
