Alternates: List 6 alternate COURSE NUMBERS that may be used in creating your schedule if a conflict arises during the schedule-building process. Give the same consideration to these alternates as you did for your electives.

1. _____ 2. _____ 3. _____ 4. _____ 5. _____ 6._____

I have read the Curriculum Guide, consulted with my teachers, a guidance counselor, and my parents. These are the courses I want to take next year, and my parents/guardians approve these courses. We understand that alternate courses may be substituted if conflicts arise and that they will be selected in no specific order to resolve conflicts. If I do not choose alternate courses, they will be chosen for me. **No** changes will be made after the final schedule is issued.
